

EXPOSITION À LOUER

Like a FISH in Water

Family and
general public

Educational
program

Surface: 75 à 150 m2
Bilingual

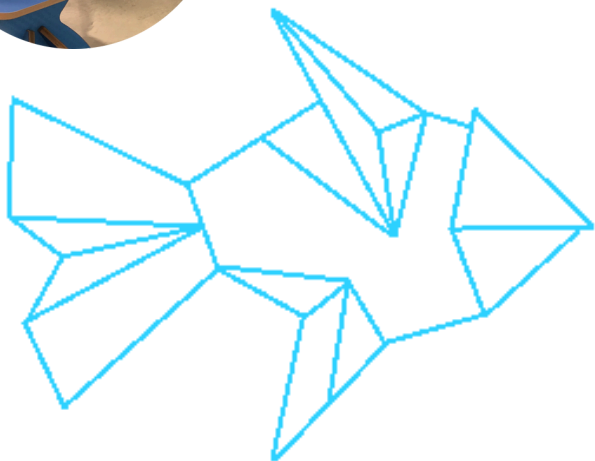

M MUSÉE
DU
FJORD

Be like a fish in water and discover this colorful and interactive exhibition that takes you deep into the world of fish.

Through fun questions, common expressions, games, and photos, our fish reveal many unknown and sometimes comical facts about their life. Learn more about the recent scientific discoveries which show that fish have no reason to compete with terrestrial vertebrates.

Your perception of our aquatics relations will be turned completely upside down!
